👦👧🧒 *We hid the letters ourselves — can you beat us?*

📖 Story: The Letters Ran Away!

The letters jumped off the chart and flew around the class!

One morning, the classroom chart was **empty**! All 26 letters had run away to play. “No letters, no words!” said Teacher. “No words, no stories!”

Kavin I found B hiding behind the Ball! B says “b”!

Meena And C was cuddling the Cat! Come home, C!

Arun S was sleeping under the Sun chart. Shh… wake up, S!

One by one, the friends found every letter — by its **sound**! The letters clapped: “You know our sounds! Now you can read the whole world!” And that night, Kavin read his first story all by himself.

💜 **MORAL OF THE STORY:** Letters make words, words make stories, and stories can take you anywhere. Learn your letters — unlock every book!
